

Withdrawal of a submission to ASIM 2023 in EasyChair

If you do not plan to submit a full paper then you can withdraw your exposé/contribution until the submission deadline in EasyChair, for this:

1. Log in to EasyChair with your account data and select the conference (ASIM 2023) and the role (author), if applicable.
2. Select the submission you want to withdraw (see screenshot above) by clicking on the "*view-icon*" (magnifying glass).
3. Select withdraw and confirm the removal of your submission on the following page, here you can also leave a comment/justification.

Please contact the conference management in advance in case of uncertainty.
